OPERATION: COVID 19-UNFILTERED

The colors of art, music and dance

INVITATION

We are honored to invite you to tap into your creativity as art brings us closer together than ever before. Your work of art can be an untold COVID19 experience or story through a painting, photograph, drawing, sculpture, poem, collage, ready made art, or a colorful music or dance installation. Our programs are reviving, and up-lifting in times of isolation. Facilitating artists, Life Enrichment and Peer Recovery Specialists are guiding and helping you learn how to create your own work of art on location.

We invite you to participate in our 5 Fine Arts programs:

1. Art for a Better Generation – Free art, music and dance classes for at-risk youth and children living in Lincoln Courts, East Jackson and beyond.
2. Art Expands Seniors' Horizons – Facilitating art classes for senior students and hospice care patients living in nursing homes and memory care facilities, as well as in isolated rural settings.
3. ABC- Art Build Communities – Creating Community Self-portraits with our talented differently-abled & medical fragile master students.
4. Enhance Your Dreams Through Art – Presenting art, music and dance classes to homeless mothers and their children.
5. Operation Freedom Warriors - Offering a Creative Pathway of Recovery for Military Veterans and families through art.

The winners will receive the prestigious American Art Academy Award.

This COVID-19 Arts Resilience opportunity starts on December 15, 2020. The Contest entry deadline is February 2021.

A selection of works of Art will be on Display in the OPERATION: COVID 19-UNFILTERED Art Show at the City Hall of Jackson, March 2021.

We pay tribute to our brave first responders and healthcare workers at our Hospitals, Nursing Homes, Fire Fighters, Police departments, teachers and so many more. We honor and commemorate them for the many sacrifices they are making for our safety and well-being.
